## Welcome!

As First Vice President of the Pennsylvania Association of Criminal Justice Educators, it is my honor to welcome you to the 2014 annual meeting at Lock Haven University. The annual meeting provides PACJE with the opportunity to bring together a diverse group of individuals in the interest of higher education. This year's theme, *Thinking about the Future of Criminal Justice: Reentry and Beyond*, allowed for the inclusion of a broad range of topics related to our discipline. Criminology and criminal justice educators, practitioners, and students from across the state of Pennsylvania will present on a variety of pertinent themes including policing, courts, corrections, classroom teaching techniques, and research.

This year's meeting will also include a speech by Bruce Quigley, Deputy Executive Director of the Union County Housing Authority. I have the pleasure of currently working on a research project with a colleague that addresses a new reentry initiative in Union County. The Justice Bridge Housing Program involves a collaboration between the county housing agency and criminal justice agencies to provide assistance to justice involved individuals reentering the community, initially through lease assistance, and then permanently through supportive housing opportunities. Bruce Quigley has been involved with this program since its inception and has some insight to the issues of reentry. Also included in our annual meeting are undergraduate and graduate awards for student papers as well as scholarship. There are many intellectual and networking opportunities available at the annual meeting.

Finally, I would like to take this opportunity to thank the members of PACJE for their continued effort to keep this important organization alive. Your dedication is essential to the success of PACJE and the annual meeting. It is my hope that you will all have an enjoyable and productive day at the 2014 PACJE annual meeting.

Katie Ely, Ph.D.  
First Vice President

## Schedule of Events
